

Mission Statement

Our mission is a simple one that has remained unchanged since our inception:

Providing children with quality, Christ-centered education, developing students who strive for academic excellence and molding responsible citizens to embrace a distinctly Christian worldview.

Our goal or daily objective can best be summarized as follows:

We will use all of our talents, gifts and resources to lead our students to MEET GOD, KNOW GOD, LOVE GOD and SERVE GOD in order to fulfill His perfect purpose for their lives.

The Warrior Creed: Our creed captures what it means to be an Immanuel Warrior. The words are taken from some of our favorite Bible verses in epistles penned by the great apostle Paul and most importantly, in the case of the two Greatest Commandments, from the words spoken by Jesus Christ himself.

It is the mission and calling of our ICS faculty and staff to develop young men and women who are Warriors for Christ. The task of producing graduates who will seek to transform culture and seize the opportunity to be world changers requires the efforts of a community of believers and supporters.

The Warrior Creed

**I am a WARRIOR
I seek first what is true
I long for what is noble
I fight for what is right
I preserve what is pure
I strive for excellence in all I do
I love God with all my heart
I love my neighbor as myself
I am one in Spirit with my ICS family
When I am confronted by culture I follow the path of Christ
I am an ambassador for God's kingdom
I am an IMMANUEL WARRIOR!**
