

Summer Camp Operational Policies

Hours of operation:

We are available from 7:00 a.m.-6:00 p.m., Monday-Friday. All closings are posted at the school, on the summer schedule and on the website www.immanuelwarriors.org

Sign In/Out procedures:

All families must sign their children in and out everyday with a staff member. Only people authorized by the parents will be allowed to sign campers out.

Illness:

If your child should become ill at camp, you will be notified and asked to come and pick up your child. If your child has fever, vomiting or diarrhea, please keep them at home to rest. If your child is sent home with one of the previous symptoms please keep them to stay at home until they are healthy and able to participate in camp activities.

Medication

Should your child need medication to be dispensed at camp, it must be given to our first aid attendant with instructions for dispensing. No medicine will be allowed in the classrooms.

Emergencies

If your camper should need medical attention, we will contact the parent and then call emergency services. If we need to evacuate the building and are unable to return we will use your enrollment information to contact you to pick up your camper.

Dress code:

Your child should come to camp in comfortable play clothes. Please no inappropriate logos, monsters etc. We require all our children to come with closed toe shoes.

Discipline:

Our method of discipline is consistent with a child's age. This means should time out be necessary, it will be given according to one minute for each year of age. If time out does not correct the problem then we will request a parent conference to further discuss the situation.

Activities/Schedule:

You will be given a calendar with the activities your child will participate in during camp. Calendars with activities and hourly schedules will also be posted outside the daycare care office.

Field trip, Water activities, Transportation

In order for each camper to participate fully in camp we must have parent permission signed on the application. If there are portions of the activities that your child may not participate in we need to have written notification by the parents. No child younger than those which have completed the 1st grade will be transported by bus/van during camp.

Parent notifications

Parents will be verbally informed of any changes in our schedule. If we have to be closed due to an emergency or weather you may find that information on our website www.immanuelwarriors.org

Meals

All meals are provided by ICS camp and you will be provided with a menu for each month. If your child has food allergies please notify us in writing so we may inform the cafeteria. We have a no peanut policy in our preschool area (2 & 3 year olds).

Enrollment

In order for your camper to be enrolled in our program we need the completed application, the registration fee, and a copy of the campers shot record.

Staff

All staff have had extensive background checks, cpr/first aid training, 24 hours continuing training per year, and have food handlers certification.
