

DRX Lunch Room System for Immanuel Christian School

We are pleased to announce the newest version of our software "The DRX System". We now offer online viewing of accounts, adding money, and many other features to help you monitor and control your child's cafeteria account.

You may send money (check, cash or credit card) to the school for your child's lunch. You may also use our online system to add money by credit card or debit card. This money is recorded in each child's Lunch Room account for purchases of delicious and healthy food prepared fresh daily in the cafeteria. As the child goes through the cafeteria line, the amount of the purchase is deducted from his or her account. **Of course, all transactions are stored for viewing on our offsite secure server. No information is ever stored locally.**

When your child's account balance drops below \$10.00, you will receive a notice by email, voicemail, or text message (whichever you choose). You may then send check or cash. Don't forget! By the time your check gets back to the Cafeteria Manager, your child could be out of money. Checks (\$50.00 suggested minimum) should be made payable to "**CALM, LLC.**" Please put your child's name and grade on all checks or correspondence. This is a great help for the Cafeteria Manager and helps reduce the risk of account errors. **If you use your credit card, we can bill a \$100.00 charge when the Lunch Room account falls below \$10.00.** A small convenience fee of \$3.00 is added to each credit card billing. Since it is the school's policy that no child will go hungry, we provide lunch (PB&J AND A CARTON OF MILK) for those students who have overdrawn their account or forget to bring cash for the day. A charge of \$2.70 will be made for lunch. When our cashier receives payment for your overdrawn account, these charges will be deducted.

If your account has a positive balance at the end of the school year, the balance will be carried over to the next year unless you request it be refunded. Balances are refunded for all graduates and any other specific requests. **All refund requests should be made to the CALM Corporate Offices at the following numbers or by e-mail:**

Cathy McCardle

Phone (915)774-0649 or Fax (915)772-8207.

Emails should be directed to cathykyle@aol.com

Our new online DRX allows you to completely control the account: add password protection, daily or individual meal limits, food restrictions, individual credit card additions in a totally secure environment.
