Immanuel Café allows only a \$20 limit to charge on accounts. This should not be taken lightly. We are a small operation, we need your full cooperation to continue to serve you.

IMMANUEL CAFÉ

Immanuel Café opened on August 2020. Every year, the kitchen operation is updated as needed. Updating food options in the menu is our pleasure in better serving the Immanuel Students and staff. Making it not only a great place to eat but very functional and beautiful.

We serve breakfast, lunch and snacks both for traditional school year and the summer program. Unlike traditional cafeterias, we have a variety of home scratch meals and old time favorites.

We have been able to keep food cost down by balancing high cost items with low cost items to have good meal prices. Grab-n- go items are available all day to reach different student and teacher schedules.
