Note: This letter has been sent to your email.

Please make deposits before school starts, it will help with processing students at the cafeteria serving line more efficiently. Grades Pk-5 and new Students will be provided with a meal scan card to be presented to the cashier. **Returning students grades 6-12 can use last year ID cards.**

Students are encouraged to use cards to avoid student identity errors. Please, do not expect cashiers to know all students. We appreciate your cooperation.

Grades PK-4 Teachers will manage the student scan cards for their class. Grades 5-12, are encouraged to carry their card with them always to avoid delays at the cafeteria serving line.

Important: If the previous enrolled student has a negative balance, please update your account by depositing funds immediately before school starts. A negative balance will change the service provided to them by limiting their purchasing options.

Immanuel Cafe' staff is ready and always excited in making sure we provide an excellent meal service to all students, faculty and visitors. If you have any questions, please contact me on my email at: aida@myimmanuelchurch.com.

Your child's participation is greatly appreciated.

Thank you,
Aida Salcedo
