Students will be escorted to the cafeteria and signed in to the after school program. When you pick up your child you will be asked to sign them out and at the end of the month you will receive an invoice with the charges. You can then log into Facts to pay charges monthly or you can enroll in auto pay.

If you have more than one child which attends Immanuel then your youngest child can wait in the program at no charge (after paying the registration fee) until the older sibling gets out of school. Siblings in grade 4th and above are authorized to sign out younger sibling, but you must notify director in advance. If your child is not enrolled in program but attends more than once you will automatically be charged the registration fee as well as the hourly rate.

If you are allowing your student to walk home or leave campus with another parent you must notify the director and the school office in writing.

Your child will be provided with a snack each day. Students are given an opportunity to play outside each day. After the playground all students PreK-6th grade go to the portables where we have board games, toys and art supplies, as well as an opportunity to do homework until they are picked up after school.

If you need further information, or would like to register please contact the daycare director Lori Cooper at 778-6160 ext.102 or via email LCooper@immanuelwarriors.org
